Price

TechNova Cloud Business costs **₹2,499 per month**.

3. Payment Information

TechNova accepts the following payment methods:

- Credit cards
- Debit cards
- UPI
- Net banking

After a successful payment, customers receive a payment confirmation by email.

Failed Payment

If a payment fails but money has been deducted from the customer's bank account, the customer should wait up to **3 business days** for the amount to be automatically reversed.

If the amount is not returned after 3 business days, the customer should contact the billing support team.

4. Refund Policy

Customers can request a refund within **7 days of purchase**.

Refund Conditions

A refund may be approved when:

- The customer was charged incorrectly.
- The customer purchased the service accidentally.

- The service has a technical problem that cannot be resolved.
- The customer was charged twice for the same subscription.

Refund requests should include:

- Customer name
- Registered email address
- Order or transaction ID
- Reason for requesting the refund

Refund Processing Time

Approved refunds are normally processed within **5–7 business days**.

The exact time may depend on the customer's bank or payment provider.

5. Subscription

TechNova subscriptions automatically renew at the end of the billing period.

Customers can cancel automatic renewal from their account settings.

Cancellation

To cancel a subscription:

1. Log in to the TechNova account.
2. Open **Account Settings**.
3. Select **Subscription**.
4. Click **Cancel Subscription**.
5. Confirm the cancellation.

After cancellation, the customer can continue using the service until the end of the current paid period.

6. Invoice Information

Invoices are automatically generated after successful payments.

Customers can find invoices by:

1. Logging into their account.
2. Opening **Billing**.
3. Selecting **Invoices**.
4. Selecting the required invoice.

5. Downloading the invoice as a PDF.

If an invoice is missing, the customer should contact billing support.

7. Login Problems

If a customer cannot log in, they should first check:

- Whether the email address is correct.
- Whether the password is correct.
- Whether Caps Lock is enabled.
- Whether the internet connection is working.

Forgot Password

Customers can reset their password by:

1. Opening the login page.
2. Clicking **Forgot Password**.
3. Entering their registered email address.
4. Opening the password-reset email.
5. Creating a new password.

The password-reset link is valid for **30 minutes**.

8. Installation

TechNova applications are available for Windows, macOS, Android and iOS.

Installation Steps

1. Download the application from the official TechNova website.
2. Open the downloaded installer.
3. Follow the installation instructions.
4. Launch the application.
5. Log in using the registered account.

If installation fails, the customer should restart the device and try again.

9. Common Technical Problems

Application Not Opening

Customers should:

1. Restart the application.
2. Restart the device.
3. Check the internet connection.
4. Update the application.
5. Reinstall the application if the problem continues.

File Synchronization Problem

If files are not synchronizing:

- Check the internet connection.
- Confirm that the customer has sufficient cloud storage.
- Restart synchronization.
- Restart the application.
- Check whether the latest application version is installed.

10. Product Comparison

Feature	Cloud Pro Cloud Business	
Storage	500 GB	2 TB
Multiple Users	No	Yes
File Sharing	Yes	Yes
Automatic Backup	Yes	Yes
Admin Dashboard	No	Yes
Support	Standard	Priority
Monthly Price	₹999	₹2,499

11. Complaint Handling

Customers can submit complaints through the customer support portal or by email.

A complaint should contain:

- Customer name
- Registered email
- Order/transaction ID, if applicable
- Description of the problem

- Relevant screenshots or documents

The support team reviews complaints during working hours.

Escalation

If the first-level support team cannot resolve an issue, the complaint can be escalated to a **Senior Support Representative**.

Escalated complaints are normally reviewed within **2 business days**.
